

# LEADERSHIP TEAM ALIGNMENT PROCESS

Win More, Work Smarter, Grow Faster

## THE EXPLORATORY DIALOGUE™

Together we explore and identify the roadblocks that may be preventing your business's growth. We discuss how we can create solutions to address these obstacles.

## INTERNAL REFLECTION AND ASSESSMENT™

Together, we will perform a Gap Assessment and do Pre-Planning to ensure success long term.

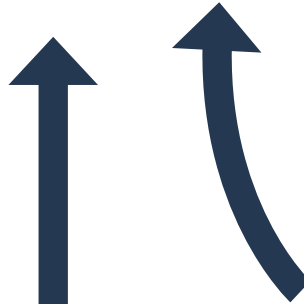

## THE CALIBRATION™

We lead an introductory session during which the CEO and executive team begin to understand the barriers impeding their organization's ability to grow. We provide tools and methodologies to confidently put you on the road to achieving your long-term business goals.

## ONE PAGE OPERATING STRATEGY™

A customized, step-by-step plan to clarify and execute your vision.

## ACTIVE BUSINESS COACHING™

An experienced business coach works with you through regularly scheduled sessions to establish organizational clarity, alignment, and accountability.

## THE VALUE ASSESSMENT™

An annual review reaffirms the progress you and your team have achieved as we look forward to creating the next year's ResultsMap™.
